Hi Dan,

Angela pulled together the information you requested. Before you start calling all these folks, lets talk about the work we've done here so we can effectively build on what information we already have and be more efficient in contacting the states and pulling the information. I sent a meeting request for next week -- if that random time is not good, please suggest an alternate.

thanks,

Jeanne

For oil & gas, PADEP has three regional offices and a headquarters office in Harrisburg. More information about these offices is available at [http://www.portal.state.pa.us/portal/server.pt/community/contacts\\_\\_\\_directions/20298](http://www.portal.state.pa.us/portal/server.pt/community/contacts___directions/20298).

Here are links to protocols, including administrative staff contact information, for conducting file reviews at each regional office:

[http://www.portal.state.pa.us/portal/server.pt/community/northwest\\_regional\\_office/13776/file\\_review/592547](http://www.portal.state.pa.us/portal/server.pt/community/northwest_regional_office/13776/file_review/592547)

[http://www.portal.state.pa.us/portal/server.pt/community/southwest\\_regional\\_office/13775/file\\_review/593164](http://www.portal.state.pa.us/portal/server.pt/community/southwest_regional_office/13775/file_review/593164)

[http://www.portal.state.pa.us/portal/server.pt/community/northcentral\\_regional\\_office/13777/file\\_review/590824](http://www.portal.state.pa.us/portal/server.pt/community/northcentral_regional_office/13777/file_review/590824)

DOE should be able to schedule file reviews through the reception desks of these offices. However, it would make sense for them to first contact the managers that head up these programs, and with Scott Perry, PADEP's deputy secretary for oil & gas, to discuss this effort.

Headquarters - Scott Perry 717-783-9438 [scperry@state.pa.us](mailto:scperry@state.pa.us)  
Northwest - Craig Lobins 814-332-6860 [slobins@state.pa.us](mailto:slobins@state.pa.us)  
Southwest - Alan Eichler 412-442-4024 [aeichler@state.pa.us](mailto:aeichler@state.pa.us)  
Northcentral - Jennifer Means 570-321-6557 [jenmeans@state.pa.us](mailto:jenmeans@state.pa.us)

In West Virginia, DOE will want to speak with James Martin, Chief of WVDEP's Office of Oil & Gas to discuss this effort. WVDEP may want DOE to file a formal request for access to documents. Information about the formal procedure is at <http://www.dep.wv.gov/pio/Pages/default.aspx>.
